

# Pronto II Layered - 23.25" CURVED Template

You will be designing two (2) graphics for this banner stand.

**Graphic 1 (FRONT):**  
23.25" wide by 92" tall (curve cut at production)

**Graphic 2 (BACK):**  
23.25" wide by 92" tall

Please submit each graphic as its own file.

You can scale this template up in Adobe Illustrator or other layout programs to use as a template layer for guide purposes.

For American Image Displays graphic requirements please visit:

<http://www.american-image.com/products/graphics/submit.html>

Visual area: 86.25" from the top

\*Please note that .625" will be covered at the top by a hanger bar.
