

# Pronto II Layered - 23.25" SLIM Template

You will be designing two (2) graphics for this banner stand.

Graphic 1 (FRONT):  
13.25" wide by 92" tall

Graphic 2 (BACK):  
23.25" wide by 92" tall

Please submit each graphic as its own file.

You can scale this template up in Adobe Illustrator or other layout programs to use as a template layer for guide purposes.

For American Image Displays graphic requirements please visit:

<http://www.american-image.com/products/graphics/submit.html>

Visual area: 86.25" from the top

\*Please note that .625" will be covered at the top by a hanger bar.
