

Setup Instructions

ExpressStand™

Note: Always roll graphic “image side out” during storage.

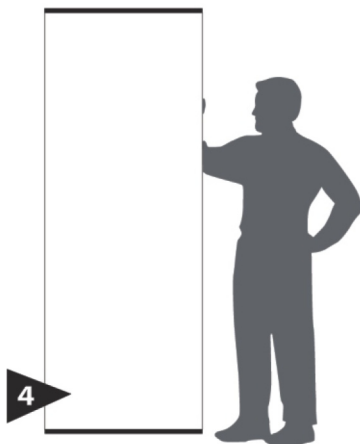

1 Remove ExpressStand™ from bag. Slide metal foot base onto bottom profile of graphic.

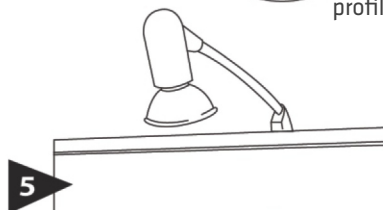

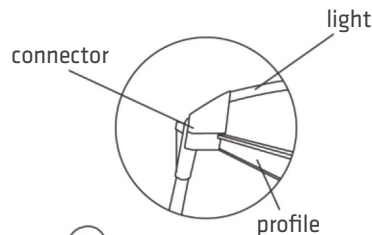

2 Assemble pole. Attach top pole connector to top profile of graphic.

3 Flex pole and insert bottom of pole into the hole of metal foot base.

4 Display can be moved and repositioned after set up.

5 **OPTIONAL**
To attach light, place into top of pole connector.
